

THE COMPANY

Hunter Smith Architecture is a growing company that was formed from an established Architecture Firm with 35 years of producing noteworthy architecture throughout the Central Coast. We are committed to continuing this legacy of unique designs and practical solutions for our clients. We work on residential and commercial projects with varying scopes of work: ground-up construction, adaptive reuse, historical preservation, and remodel/tenant improvement. Our team is young, energetic, and ambitious.

THE POSITION

The 5th Year Student Internship role involves working with our team of Architects and Architectural Designers on multiple projects and work assignments. With direction from the team, you will assist with office administration, plan set development, and the development of marketing materials. You will gain valuable experience working in an office environment on a wide variety of work assignments. At the end of the year, you will have a well-developed understanding of how our team of architects and designers can most effectively deliver successful projects for our clients.

CANDIDATE QUALIFICATIONS

- Current 5th year student at Cal Poly majoring in Architecture.
- Passionate about the field of architecture, and willing to work hard on a variety of work assignments.
- Self-motivated, organized, and value attention to detail. Ability to clearly and effectively communicate.
- Must be eligible to work in the United States.

Depending on the fit with our team and current/projected workload, this position may move to a full-time architectural designer position upon graduation. The ideal candidate would want to begin their career in San Luis Obispo following graduation.

This is an hourly position paying \$20/hour, with work beginning in the Fall of your 5th year, or the Summer before your 5th year.
